Why should you take OPD health protection?

Most of the Health insurance policies do not cover OPD health expenses. As per the Govt of India data, OPD expenses like doctor consultations, lab tests & scans, medicines etc., account for 62% of all healthcare costs in India.

Why should you choose HealthAssure?

HealthAssure is India's leading Primary Healthcare aggregator with a comprehensive network of 6,500 centres, set up across 1,500 cities across India. We have helped more than 2 million people to get better easy access to top health care services.

Pan-India coverage	Min. 15 days waiting period	No age gap	Quick issuance	24/7 support
